# location ... our advantage...

Our administrative & technical base located in **Repubblica San Marino**.  
A space 600 square meters, near to the Italian borders, (approx. 9 km from **autostrada A14** Bologna–Ancona, exit casello **Rimini sud**).

## Our Distance from :

### International airports:

15km from Rimini's international airport,  
125km from Bologna's international airport,  
278km from Venice international airport,  
390km from Milano international airports,  
375km Roma's international airport

### Main ports:

110km from Ancona's port  
65km from Ravenna's port.

### European cities:

575km from Monte Carlo  
415km from Lugano  
650km from Geneva

### STRATEGIC POSITION

Between **3 international circuits** :

**25 km from Misano, 95km from Imola & 195km from Mugello, 160 km from Adriatic Sea.**

Passage important events like: **1000 Miglia, GP Nuvolari, 100 ore Modena**, etc

In the middle of many famous Italian rallies: San Marino, Legend, Adriatico, Tuscan, Marche, Valtiberina, etc

We use the advantage of **taxation** system of RSM for the capital goods of our job ,  
such as race or rally cars, trucks, trailer, tools, equipment's ,parts, tires, entries, etc)
